Company Overview

LivaNova is a global medical technology company built on nearly five decades of experience and a relentless commitment to improve the lives of patients around the world. Our advanced technologies and breakthrough treatments provide meaningful solutions for the benefit of patients, healthcare professionals and healthcare systems.

At LivaNova, we understand the importance of bringing both clinical and economic value to our customers. We are a strong, market-leading medical technology and services company, offering a diverse product portfolio and global reach. LivaNova is listed on the NASDAQ stock exchange and London Stock Exchange (LSE) under the ticker symbol "LIVN."

LivaNova is a market leader with a workforce of approximately 4,500 employees worldwide. We are headquartered in London (UK) and maintain a presence in more than 100 countries. LivaNova operates as three business franchises:

- **Cardiac Surgery:** We are a global leader in cardiac surgery based on many factors, including our established leadership position in heart-lung machines and recognition as the world's #1 cardiopulmonary bypass company. Our advanced solutions have made significant contributions to open-heart surgery outcomes for many patients. Notably, we offer the only sutureless valve for aortic surgery.
- **Neuromodulation:** As pioneers of the VNS (Vagus Nerve Stimulation) Therapy[®] system, we continue to advance medical device solutions for people affected by treatment-resistant epilepsy, depression, heart failure and other chronic disorders.
- **Cardiac Rhythm Management:** Reflecting our spirit of imagination and invention, we have a long history of designing cardiac rhythm management systems, including pacemakers and defibrillators, that enhance and extend lives.

At LivaNova, we serve health and improve lives. Day by day. Life by life.
